Introducing The Longshore Lake Women's Club

Who We Are

Founded in 1990, LLWC is a group of more than 160 women who continually enhance Longshore Lake by supporting and serving our community and Collier County.

The LLWC has three purposes:

**SOCIAL

SERVICE**

Revised Feb. 13, 2025

LLWC is a friendly and active group. We meet on the first Wednesday morning of each month for our meetings, lunch, and to present entertaining and educational programs covering a wide range of topics such as musical performances, one-act plays, local government, gardening and women's health care.
